# THE PILGRIM ANNIVERSARY FOREFATHERS' DAY

Three hundred years ago (Dec. 21) the Pilgrim Forefathers landed on the shores of Cape Cod bay in old Massachusetts. They little dreamed as they climbed the hillside and surveyed a gloomy and forbidding landscape, what a historic hour had struck.

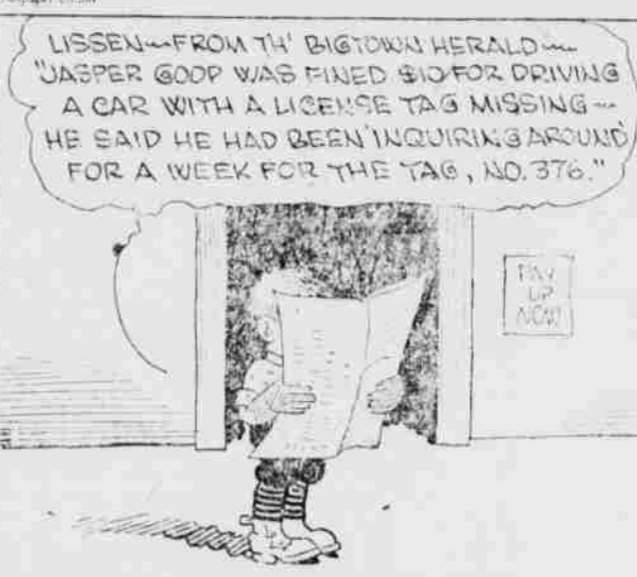

The nation celebrates their dauntless courage today, forgetting some untoward traits of character which belonged to the old puritan character. Men of such resolution could not run in the softer moulds.

On the personal side it was a high deed of courage to face these unknown perils which so many failed to

## FOUR U. S. FARM BOYS WIN INTERNATIONAL STOCK-JUDGING CONTEST AND TRIP TO EUROPE

ATLANTA, Ga.—Four farmer boys without any agricultural school training will make a trip to Europe, the reward which goes with the winning of the International Stock Judging championship in south and southeastern competition here. This non-college team came from far off Texas, winning over teams from all parts of the country—including college-trained men. The Texas team finished with 3110 points against 2265 by the Mississippi team which was second. The Texas team were all members of Boys' Club and were coached by Cy W. Evans and W. B. Cook of the Texas Extension Service from the state college. The trip will be first to the Royal Stock Show at London—then to the agricultural districts of France, Holland, Belgium and Isles of Jersey and Guernsey. This is the highest honors ever conferred upon farmer boys in this country. Top row—left to right—W. B. Cook and C. M. Evans, coaches; Alva Dehman, Lamesa; lower row—Gordon Gibson, Coleman, John Tackett, Lamesa and G. W. Walling, Marble Texas.

Some folks have not yet learned that putting money in the bank is NOT spending it. Because they haven't got their hand on it—they feel as though they are losing something.

Putting money in the bank—is just transferring it from one pocket to another—a safer one, too, where it grows.

Let your Christmas gifts this year be a Citizens Savings bank book—with a deposit of \$1, \$5, \$10 or more. It's a gift with a thought.

## Am. Legion Meets Woodsville Thursday

Manager Leonard of the St. Johnsbury American Legion team has booked the strong Woodsville team for a basketball game at the Armory on Thursday night, Dec. 16. Woodsville recently defeated the Legion boys and the home boys will be out for revenge.

One of the attractions of the Woodsville team is Gus Bothwell, formerly a noted basketball player of noted ability, and he will be lined up against Dumas in the coming game. Sweeney is another fast Woodsville player who will worry the local boys. There will be dancing after the game to music by Henault's orchestra.

## School Notes

The boys and girls of the 4th, 5th and 6th grades have finished their sale of Christmas goods. One hundred fifty one dollars was taken in by these grades at the Summer Street school. Miss Bailey's class has the honor of being first in this contest having sold 1,000 stamps.

Supt. Hitchcock is in Montpelier attending a meeting of the superintendent of Vermont. The bazaar and toy sale under the auspices of Leon Baxter as chairman of the local chapter of the Junior Red Cross is to be held Monday and Tuesday, Dec. 20 and 21. Mrs. Martin Derby of Boston will visit St. Johnsbury at that time for the purpose of becoming familiar with the line of work at St. Johnsbury is the only place in the East carrying on this project. The boys are working hard to have the toys finished in time.

Mr. Baxter requests all teachers in town to have their report of Junior Red Cross membership, together with the money for this membership in his office not later than Thursday, Dec. 16.

Children who plan to bring articles for the bazaar should have them at the school on Friday, Dec. 17.

The result of the sacrifice made by the pupils in the Junior High school as reported by their teachers to Mr. Baxter this morning were as follows:

1 A class, \$4.75, 100 per cent.  
1 B class, \$4.15, 91 2-3 per cent.

Don't Play Indian With Howe  
The way Judge Howe is handing out justice to those booze-runners in federal court in Montpelier leads one to believe that the boot leggers will never adopt the Indian greeting, "How!"—Rutland Herald.

Snycathy may be due those potato growers who refuse to sell their crop at the low price of 60 cents a bushel. But the ultimate spud consumer thought he needed some a year ago when he was forced to pay \$3.65 a bushel.—Brattleboro Reformer.

Col. Emery for Judge  
Evidently C. S. Emery has the makings of a good judge. The fine he suggested to the court in the case of his Volstead client seems to have satisfied all around.—Randolph Herald.

## SUNNY SQUIBBLES

President Wilson can now walk without his cane, but a lot of the young sports can't.

With the laborers striking against the capitalists and the capitalists striking against the laborers, and the producers striking against the consumers, and the consumers striking against the producers, it is highly highly probable that everyone will strike out.

In spite of the wonderful physical developments of the athletic college students, none of them has proved equal to cutting up the family supply of firewood.

Congress now goes down to Washington to work two weeks and then take a three weeks holiday recess to rest up.

Among the people who should be urged to take educational courses are the socialistic college professors.
